Imrex®

Synergistic immune modulator

Pack Size: 60 hard capsules.
Warnings: **The recommended daily amount of vitamin A from all sources is 700 micrograms retinol equivalents for women and 900 micrograms retinol equivalents for men. When taken in excess of 3000 micrograms retinol equivalents, vitamin A can cause birth defects. If you are pregnant or considering becoming pregnant, do not take vitamin A supplements without consulting your doctor or pharmacist.**
Dosage: Take 1 capsule, twice daily with water, or as directed by your healthcare practitioner.
Storage Guide: Store below 25°C in a cool, dry place.
The recommended daily dose of this product provides small amounts of caffeine. This product contains selenium which is toxic in high doses. A daily dose of 150 micrograms for adults of selenium from dietary supplements should not be exceeded. Contains soya bean products.

Often used in conjunction with:

- Ribraxx®
- BetaMax
- Vitamin C range

Curcumin C3 Complex® is a registered trademark of Sabinsa.
