Imrex®

Synergistic immune modulator

Pack Size: 60 hard capsules.
WARNING: The recommended daily amount of vitamin A from all sources is 700 micrograms retinol equivalents for women and 900 micrograms retinol equivalents for men. When taken in excess of 3000 micrograms retinol equivalents, vitamin A can cause birth defects. If you are pregnant or considering becoming pregnant, do not take vitamin A supplements without consulting your doctor or pharmacist.
Directions for Use: Take 1 capsule, twice daily with water, or as directed by your healthcare practitioner.
Storage Guide: Store below 25°C in a cool, dry place.
Further Warnings: This product contains selenium which is toxic in high doses. A daily dose of 150 micrograms for adults of selenium from dietary supplements should not be exceeded. In very rare cases, Curcuma species may harm the liver. Stop use and see a doctor if you have yellowing skin/eyes or unusual: fatigue, nausea, appetite loss, abdominal pain, dark urine, or itching. In rare cases, *Camellia sinensis* may harm the liver. Stop use and see a doctor if you have yellowing skin/eyes, or unusual: fatigue, nausea, appetite loss, abdominal pain, dark urine, or itching. The recommended dose of this medicine provides small amounts of caffeine. To be taken with food. Vitamin and/or mineral supplements should not replace a balanced diet. If symptoms persist, talk to your health professional.
