Meno-Femme

Comprehensive herbal menopause support formula

Pack Size: 60 hard capsules.
Directions for Use: Take two capsules daily with water, or as directed by your healthcare practitioner.
Storage Guide: Store below 25°C in a cool, dry place.
Warnings: If symptoms persist, talk to your health professional. Contains sulfites.

Product Indications:

- Relieve hot flushes associated with menopause
- Support nervous system function
- Sage is traditionally used in Western herbal medicine to reduce hot flushes and night sweats associated with menopause
- Shatavari is traditionally used in Ayurvedic medicine as a rejuvenative tonic in females and to relieve symptoms of menopause
- Zizyphus is traditionally used in Chinese medicine to relieve symptoms of mild anxiety, excessive perspiration and disturbed sleep
- Gotu kola is traditionally used in Ayurvedic medicine to support skin health and repair, and improve cognition

Often used in conjunction with:

- Mood FX
- AdRestore®
- MagDuo Adapt
- ThyRestore®
- CalmPlex

Product Highlights

- Broad action menopause support formula combining six herbal extracts
